

iOS App Privacy Policy

Personal Data: We do not collect personal data except when contacted by users for support or information requests, product suggestions, or other user initiated communications.

Location: We do not use or collect your precise geographic location.

Access: You can contact us by email to request to see any personally identifiable information we have stored, such as your name, email, address or phone number.

Deletion: Since data is for support and product improvement purposes, we may keep data indefinitely.

Sharing: We do not share personally identifiable information (such as name, address, email or phone) with other companies.

Ad Tracking: We do not allow advertising companies to collect data through our apps for ad targeting.

Contact: If you have any questions or concerns about our privacy policies, please contact us: www.edpatrick.com/apps OR edpatrickapps@gmail.com

Vendors: We do not share any data with any vendors or service providers.

Security: We take reasonable steps to secure your personally identifiable information against unauthorized access or disclosure. However, no security or encryption method can be guaranteed to protect information from hackers or human error. Information we collect may be stored or processed on computers located in any country where we do business.

Special Disclosures: We may make identifiable or anonymous information available to third parties in these limited circumstances:

- (1) with your express consent,
- (2) when we have a good faith belief it is required by law,
- (3) when we have a good faith belief it is necessary to protect our rights or property.

In cases (2) or (3) your consent will not be required for disclosure, but we will attempt to notify you, to the extent permitted by law.

Changes: Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a notice on our website.
